Chad's Chats

GOD is Good!!! All The Time!!

It has been a cold winter and it reminds me of when I was growing up as a boy, you know the story.

I had to walk 10 miles to school in the freezing snow, in the morning and the 20 miles back in the afternoon, all uphill. So I quickly learned to appreciate a free ride from the school bus.

Waking up with Jesus every morning, and then facing the daily trials of life, I have learned to appreciate and crave church fellowship with my brothers and sisters. Jesus gives us a free ride and pays the ticket. Are you using it and enjoying what He has given us in the worship with our church family or are you still trudging 20 miles uphill in the snow, by yourself!

I hope to see you in church this Sunday. Think about it!!

Serving till He comes,

Chad
